

Company Environmental Policy

M&G Plant and Tool Limited are committed to minimising the impact of our activities on the environment.

The key points of our strategy to achieve this are:

- To minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Minimise toxic emissions through the selection and use of our fleet and the source of its power requirement.
- To actively promote recycling both internally and amongst our customers and suppliers.
- Source and promote a modern product range to minimise the environmental impact of both production and emissions.
- To meet or exceed all environmental legislation that relates to the company.
- Ensure waste disposal is by approved documented systems.
